

EQUIPMENT PRODUCT INFORMATION BL189 TAPED BAG LOADER

DESCRIPTION

The CRYOVAC[®] brand BL189 helps food processors reduce labor and increase productivity with a simple, effective manual loading solution. It minimizes downtime, supports hygienic operation, and seamlessly fits into existing packaging lines thanks to its compact design. Ideal for smoked and processed meats, cheese, and poultry, the BL189 pairs perfectly with CRYOVAC[®] brand shrink bags to preserve freshness and deliver a clean, attractive package, helping you protect product quality and elevate your brand.

BRAND EXPERIENCE	<ul style="list-style-type: none">Delivers consistent product quality that supports your brand's reputation for freshness and flavor

TECHNICAL DATA

MACHINE DIMENSIONS

Length	37" (940 mm)
Width	20" (508 mm)
Height	34.5" - 42.5" (877 mm - 1080 mm)

UTILITIES

Air	60 psig, 5 CFM, 3/8" supply line
Electrical	1-phase, 115 VAC, 60 Hz, 1 AMP

WEIGHT

Weight	240 lbs (109 kg)
Construction	Stainless Steel

MATERIAL DIMENSIONS

Bag Width	4" - 16" (102 mm - 406 mm)
-----------	----------------------------

WORKING SPEED

Speed	Up to 50 ppm
-------	--------------

LINE LAYOUT EXAMPLE
