

Autobag®

BRAND AUTOMATED SYSTEMS

Standard Film - PE

BENEFITS

The Standard Film is a blend of linear low density and low density polyethylene. The strength and clarity of this film makes it ideal for many industrial and retail applications.

This material is available in clear and white. There are a range of other tinted colours available, minimum order quantities may apply.

STORAGE

Store in a dry area, temperature should be between 10-30°C. Not to be stored in direct sunlight.

Recycle Ready*

LDPE
