

Sealed Air®

BRAND PROTECTIVE PACKAGING

Instapak® Quick RT On-demand Foam Packaging

SEALED AIR® brand Instapak® Quick RT is an on-demand foam solution that you can use anywhere.

BENEFITS

Operational Efficiency

- Packaging stores flat, reducing storage and warehouse space requirements
- Takes up little space and is completely mobile so you can use it anywhere
- Can be activated right out of the box and requires no additional equipment for enhanced efficiency

Product Integrity

- Protects products of almost any size, shape and weight
- Heavy-duty cushioning, plus light blocking and bracing provides superior product protection, virtually eliminating shipping damage

Package Optimization

- Expands in seconds to form custom-fit protective foam cushions

Brand Experience

- Product arrives in a neat, professional package, enhancing customer satisfaction

CHALLENGE

Increasing productivity and throughput are key, and can't come at the expense of customer satisfaction which balances superior damage protection with a low cost.

SOLUTION

SEALED AIR® brand Instapak® Quick RT packaging foam is lightweight and highly portable protective packaging solutions. By expanding up to 27 times their original size, Instapak® Quick RT® on-demand foam packaging saves valuable space, making it ideal for an assortment of on-demand packaging needs. This versatile solution offers a convenient packaging method for a wide range of sizes, shapes and weights with no start-up costs.

SUSTAINABILITY

- Foam can be returned to Sealed Air Recycle Sites where all returned foam is diverted from the landfill and efficiently transported to a local Waste-to-Energy facility

MATERIALS

- Activated by a simple press, pat, and pack technique
- Expands up to 27 times its original size
- Available in an assortment of sizes

EQUIPMENT

- No dispensing system or warming unit required

APPLICATIONS

- Ideal for low volume packaging of an assortment of products
- Suitable for an assortment of applications requiring product protection:
 - Blocking and Bracing
 - Cushioning
